## Interview: m0rph

Posted by NoToRiOuS at 00:07 30/4/2003.

I have just been sent word that SCEE|DK has taken some time out to interview m0rph. I have to warn you the language is not for the kiddies amongst us, so be warned. Other than that it's an interesting insight into the life of a "pro-gamer" top CS player and his clan.

SCEE|DK> ok Alex, quick run down of you CS 'career' so to speak for those who don't know (btw shaggin > cs innit)

Ic-|m0> I started off playing at a good level with clan UKLA (Elem, Pathy, Mani and co) I stuck with them for about a year and a half before they folded. Then i decided to start omg! with craig. Now I'm at Ic.

SCEE|DK> ok so you left the UK's 3rd best clan to join the UK's 4th best LAN clan, WHY?

Ic-|m0> I wasn't active when omg! needed me to be really and I hadn't decided whether I would continue playing cs at a high level. At that point omg! obviously had to act and so they recruited geo and shaq. Seeing as they were unclear on my position within the team I don't blame them.

Ic-|m0> This meant that along with me, they had 7 players, with a view to sumit coming back, making it 8. At omg!'s level its too hard to play with so many players. You need to keep consistency going and so on, so I looked elsewhere to play cs, and ripper approached me

Good read, thanks to Steve for the tip off. Check out the full interview [here](#).

SCEE|DK> k fo back  
to your b\*\*\*h now  
you p\*\*\*y, next time  
dont answer the  
phone or tell her your  
speaking to me and  
f\*\*\* off!

To which I did 'cos  
the missus  
demanded a cup of  
tea before this chat  
started and was  
getting mighty  
p\*\*\*ed off waiting :(

lawl. good interview as well.  
different, nice to see a  
"relaxed" style one that isnt  
completely about taking the  
utter p\*\*\*.
