WCG UK and UKT-X Update

Posted by Myers at 22:18 30/8/2003.

As promised here are the first of what I hope will be many updates over the next few days.

Firstly regarding the UKTerrorist Xtra event we have planned for Thursday 4th September. We have the following teams down as attending:

- SODA
- OnlineSports
- Harmless
- Pro-Gamer
- Infinity-eSports
- reSonance
- FightClubClan
- TORMENT
- Disturbed
- ClanONE
- Blacklight

We have two spare places at this competition for those attending the UK World Cyber Games Finals or are one of the six teams that were removed from the attendance list from UKT4. First two teams contacting me wanting a place will get it Richard@iguk.org.

The UK World Cyber Games Finals maplist will be:

Round One - De_Nuke
Round Two - De_Aztec
Quarter-Finals - De_Train
Semi-Finals - De_Inferno
Final - De_Dust2

Finally to all the teams that have qualified for the UK WCG Finals you MUST register on the WCG UK Website and ensure that your whole clans send their ticketID's along payment of £50 per team before the tournament.

Myers Saviour of UKT UKTerrorist 22:33 30/8/2003	Aztec is a pretty good maps for spectators i guess, lots of nice long range etc... Last year it was single elim mr 8 :) [Comment: Report IP: Logged]
Myers Saviour of UKT UKTerrorist 22:35 30/8/2003	we've got a few spare spots at this year's wcg, so the very top teams will have byes anyway. [Comment: Report IP: Logged]
Shael 22:36 30/8/2003	elemental came to us and said they would not be going to WCG due to the fact that it is on a school day and they did not know and that they wanted us to take their place as we drew with them in the first place but lost in overtime. Any idea if that is allowed? [Comment: Report IP: Logged]
Atemi ForsakeN	u cant run a decent tourny for the competitors unless its

22:41 30/8/2003	atleast double elim, it just doesnt seem fair that everything and all the money it has cost to get to the event hinges on 1 game. especially as its gonna be 50 quid for sum teams to turn up and play 1 game then be on their way home. [Comment: Report IP: Logged]
StriKeN unicon.cs 22:46 30/8/2003	agrees with atemi (doesn't want 2 get owned in first round and have to go home) thank god UKTX is around to make the trip worthwhile [Comment: Report IP: Logged]
FreeZe BLACKLIGHT 22:46 30/8/2003	I assume we'll be able to do pcws and stuff if we're knocked out ? [Comment: Report IP: Logged]
Myers Saviour of UKT UKTerrorist 22:48 30/8/2003	at ukt-x yeh, u got the pcs for the whole day, £20 per player.. At WCG no, we need the pcs for the tournament. [Comment: Report IP: Logged]

DoZ Anti-saviour of UKT 23:30 30/8/2003	Nobody wants to pay their travel costs, entrance costs, qualifying costs etc just to get beaten 13-2 and have to go home. Or stand around looking at booths full of crap they have no interest in buying. [Comment: Report IP: Logged]

Spooky Hertz 23:39 30/8/2003	Why is it single elim? The webby says theres 72 torney computers... You could do 7 games at a time unlike a Lan centre wheres its max 2 at a time. [Comment: Report IP: Logged]

StriKeN unicon.cs 01:30 31/8/2003	oh also annum - the www.overclockers.co.uk forums are with out a doubt THE best place to look for any sort of advice on any sort of hardware. Always people asking for advice on what mobo/gfx etc to buy next... and there's always some clever techy geek who will help you out and respond quickly [Comment: Report IP: Logged]

Shaw 01:43 31/8/2003	single elim shud be "fun", be nice to see how many of the lower quality clans find out they have a team they have no chance of beating in first round and just dont turn up..... cud lead to a little bit of a slide effect team a(100) team b(70) team c(40) team d(10) (numbers in brackets represent the skill level out of 100).. team D realises they wont beat C and cba going down for one game so decide to drop... team C then see that they cant beat team B and with team D dropping out will only get one game so drop out... team B then realise they dont have to play team C and are only left with team A to play who they wont beat.... so they dont turn up.... hopefully it wont happen, but ya never know ;/ [Comment: Report IP: Logged]
Pimboy feo 02:29 31/8/2003	OR!! maybe team Z play Team A and knock out the favourutes straight away :D [Comment: Report IP: Logged]

naa won't happen because:

Team B thinks Team A Config
Team B qualified online and
want to prove to team C they
are not online heros
Team D haven't heard of any of
the above clans because they
live in an i-Games LAN League
world
Team E ARE online heros and
are going in overconfident
because they all hack/config
online.

So teams C and D foolishly
believe anything can happen at
LAN and go in with mind
numbing confidence

Finally to all the
teams that have
qualified for the UK
WCG Finals you
MUST register on the
WCG UK Website and
ensure that your
whole clans send
their ticketID's along
with a cheque for
£50 to iGames UK,
details can be found
on the above
website.

I dont understand that bit, is it
saying we have to pay a tenner
each for a ticket which comes
with a ticketID and then send a
further £50 to igames with our
ticketIDs?
