ClanONE Given WCG UK Wildcard

Posted by Myers at 15:58 31/7/2003.

ClanONE have been given a wildcard straight to the finals of WCG UK. ClanONE were given this wildcard as a result of their performance throughout the last year and high place finishes in UK LAN events.

In the last year alone ClanONE have finished 2nd at Games Domain, 2nd at WCG UK Qualifiers, 5th at CPL Winter World Championship European Qualifiers, 2nd at Intel Masters and 2nd at UK ESWC Qualifiers. No doubt this time around they will be looking to go one step further and join Nocturne and Infinity-eSports as UK WCG representatives.

This wildcard means that ClanONE will not be attending the pre-qualifiers at HarrowArena. Remember if you wish to take part in this year's WCG Pre-qualifiers then you must Signup as soon as possible. The WCG UK Qualifiers are organised by iGames UK.

I was sighing because I thought there was 1 wildcard and I thought OMG! deserved it more than ONE, but if there is 2 then OMG! should get the other one so in theory will work out good. WCG quals should be FUN!

cheeze k, the fact SK, 3D get beaten online quite often doesn't mean anything.. 24-24 with 4K is a great result online but until its down on lan, i'm sure alot of ppl wont think that much of it.

Don't mind if we get a wild card or not. If we dont we'll just qualify... get some extra practice on lan, no harm for us
